**1. The Lord Jesus Christ exemplifies the importance of \_\_\_\_\_.**

*"None ever did such mighty works as He did. None ever spake such words. None ever was so instant in \_\_\_\_\_." - J.C. Ryle*

**2. The Lord Jesus Christ \_\_\_\_\_  
His divine attributes to men.**

a. In \_\_\_\_\_ Jesus leads His disciples into a very difficult storm.

b. In the storm, Jesus reveals His \_\_\_\_\_ over nature.

*"In this instance the divine appearance occurred for the very purpose of being \_\_\_\_\_. In wonderful fashion Jesus put His authority at the disposal of the disciples and passed by to assure them of His presence with them." - William Lane*

c. In their time of great fear, Jesus shows His genuine \_\_\_\_\_ for His disciples.

d. Jesus' \_\_\_\_\_ were meant to reveal His divine nature, but they must be carefully considered in faith.

**3. The Lord Jesus Christ came to provide a complete salvation, not only \_\_\_\_\_ healing.**

*"We do not find that they were desirous to be taught by Him, only to be healed. It is sad to think how much more concerned the most of men are about their bodies than about their \_\_\_\_\_." - Matthew Henry*
