

**Courage: Learn from one Yehoshua; Look to another Yehoshua
Joshua 1:6-2:1**

Introduction:

Christ is the hero of this story; not Joshua, you, or I.

1. **Courage is on foot / as one sent (verse 6)**
Of all whom God has sent, Christ is supreme.
2. **Courage is an alertness to obey God's commands (verse 7)**
Joshua 7 - alertness failure
Luke 4 - Christ's perfect alertness after 40 days of weakening
3. **Courage must be increasing (verses 6,7,9)**
Joshua needed to be exhorted to have more.
Christ in his humanity "grew and became strong" (Luke 2:40)
4. **Courage has a confidence of prevailing (verse 7)**
Why? Verses 5,9,17: God will be with Joshua
The better prevailing of Christ: Matthew 16:18, Acts 19:20
What is better than the Lord with you? You with the Lord. - 2 Cor 5:6-9
5. **Courage flourishes from an established position (verse 10)**
Israel's trust in their chain of command
The Son's trust in His Father - Matthew 26:39
6. **Courage is bold but not rash or impulsive (verse 11-12)**
7. **Courage is fortified (verse 14)**
This text and Numbers 32:17 - actual & physical fortifications
The disciplines of grace are spiritual fortifications
8. **Courage is being hardened, not headstrong (verse 18)**
Readiness to endure hardship, strengthened resolve
Christ set His face towards Jerusalem (Luke 9:51,53)
9. **Courage is steadfastly minded, not reckless (2:1)**
The narrative tension of the spies
We are directed to the steadfastness of Christ - 2 Thess. 3:5

Conclusions:

1. Look to Christ, who alone has perfected the performance of courage.
2. Christ is ready to forgive both the prideful and despairing of courage who confess to him.
3. If saved, pray and ask the Spirit's help for more courage (Phil 1:19-20)
