

“When Vision and Purpose Work Together”

Ephesians 4:11-16

- In your life, is there...
 - “Transformation” evidence?
 - “Devotion” evidence?
 - “Christlikeness” evidence?
- The answers to these questions can be found by examining six relationships:
 - With God
 - With God’s word
 - With Family
 - With the World
 - With the lost

- There is a framework that determines the direction of our church community.
- The vision of our church community:
- The purpose of our church community:
- The vision and purpose work together
- Who has an “on board” commitment to our vision and purpose?
 - Personally
 - Collectively
- Beware of forces that would seek to lead you astray from your commitment.
 - 2 Corinthians 11:3
 - Ephesians 6:10-18
 - 1 Corinthians 15:58
- Are you willing to acknowledge your commitment?
