

A World of Grace
Genesis 8:20-22

14-April-2019 · Hopewell ARP · Culleoka, TN

Main Idea: In the upholding of creation, God displays His delight in Jesus, and His pleasure with us for Jesus's sake.

Introduction: The end of entropy.

1. What we see of ourselves: those who deserve death and Hell.
2. What we see of Christ: God's beloved Son, with whom He is well-pleased.
3. The amazingness of grace: God reverses the curse "because" of the greatness and extent of our sin.

Conclusion: The eternally, infinitely glorious God has chosen to display that glory especially in Christ, and particularly by His worthiness to save abominable sinners. Every moment of grace in creation calls you to agree with Him about yourself and about the Lord Jesus, and to respond with faith, hope, and love.
