"Q. 67. What is effectual calling?

A. Effectual calling is the work of God's almighty power and grace, whereby (out of his free and special love to his elect, and from nothing in them moving him thereunto) he doth, in his accepted time, invite and draw them to Jesus Christ, by his word and Spirit; savingly enlightening their minds, renewing and powerfully determining their wills, so as they (although in themselves dead in sin) are hereby made willing and able freely to answer his call, and to accept and embrace the grace offered and conveyed therein." – Westminster Larger Catechism, 67

Who we Are:

Westminster: As historic reformed believers, we recognize that in God's gracious providence he has provided His Church with many creeds and confessions. Our Church subscribes to the Westminster Standards – which encompass the teachings of the Bible in the best human expression.

Presbyterian: In our form of church government and practice we are presbyterian – simply put, we believe in a church government that is instituted by God and is entrusted to His ambassadors; ministers and elders in their several bodies.

Church: God is calling a people unto Himself, and He has a special care for his bride, the Church! Where His special care is seen
