

To Those Who Love God
Romans 8:28-30

Main Point:

As a person who loves God, take heart from the certainties given to you by God and praise His Son.

1. If you love God today, then you can be certain of His providential goodness in the present.

2. If you love God today, then you can be certain of His electing love in the past.

3. If you love God today, then you can be certain of His glorious likeness in the future.
