4-Mar-2018 · Hopewell ARP · Culleoka, TN

Introduction: Tying back to chapter 1, 2, 4, 8

1. Jesus's divine glory

- a. Can do in one try what a multitude fail to do in infinite tries
- b. Has a right to the very throne of God

2. The Holy Spirit's testimony

- a. God declares Christ's glory through both logic (v11-14) and prophecy (v15-17). He "calls His shots."
- b. If God is fulfilling the writing of His law on our hearts, then He has fulfilled the forgiving of our sins also.

Conclusion: The Jesus-way of worship is the only right worship now!
