### 1) Reckoning Suffering as Glory

### 2) How Suffering Glorifies

a. Meaning of glorify / glory...

b. How Jesus death glorifies...

- Jesus

- God

### 3) How Our Suffering Glorifies

- Us

- Jesus

#### Praxis

1. Rom 8:30 says that the culmination of God's grace to His people is being "glorified." What does this mean (besides getting a new body)?
2. Do the sufferings of Christians for Christ automatically glorify God? How might the way you walk through sufferings bring more glory to God?
3. D.A. Carson says, "the supreme moment of divine self-disclosure (displayed glory) was in the shame of the cross."  
Why & How might you explain that truth to a person unfamiliar with the Gospel?
