

LIVING A PHILIPPIANS 2:14 LIFE

Philippians 2:14 Do all things without complaining and disputing,

Jesus was the example for us believers to live the Christian life. While we navigate through this world, we can shine as lights to the lost world with thankful, glorifying God attitudes instead of complaining and arguing hearts.

Complaining, grumbling, murmuring:

The word *goggusmos* means- expression of one's discontent in low tones of inner disapproval or complaint sometimes expressed outwardly.

Disputing, arguing, questioning:

The word *dialogismos* - positively dialogismos means to process thoughts, reasoning. In our verse dialogismos is used negatively implying a questioning mind, arguing with an arrogant attitude.

We can live a Phil. 2:14 life when we.....

1. _____ complaining/ arguing is an earthly negative attitude, possibly harming our opportunity to share the heavenly message of Christ's love. 1 Pet. 4:9-10
2. _____ and think through our situation and remember these words "what would Jesus do"? James 5:9
