

# Presuppositionalism

## preface – Ch.6 Summary

Christ has commissioned us to \_\_\_\_\_.

There is no fear in our mission because Christ is \_\_\_\_\_.

In our mission we are called to live a life of \_\_\_\_\_.

We do this by \_\_\_\_\_.

Dialogue and debate are only logical if there is \_\_\_\_\_.

The standard of truth is \_\_\_\_\_ & \_\_\_\_\_.

Within our mission we will encounter mockers and questioners who will attack the Way. Our response is to \_\_\_\_\_ the \_\_\_\_\_.

Our faith comes from \_\_\_\_\_ in whom we \_\_\_\_\_.

Along with our defense we also respond on the offensive by \_\_\_\_\_ arguments and taking \_\_\_\_\_ to \_\_\_\_\_.

We maintain this efficient strategy, in spiritual battle, by wearing the \_\_\_\_\_ and wielding the \_\_\_\_\_.

Our mission is with people who are \_\_\_\_\_, in which there is no \_\_\_\_\_.

Yet, our battle is against \_\_\_\_\_ and \_\_\_\_\_, not against our neighbor, fellow human, who is likewise \_\_\_\_\_.

We have common ground, a sense of unity, because of this and they too can be free from sin and guilt, as we became free, by the finished work of \_\_\_\_\_.

As we go out in our mission, we will witness all types of false religion because all mankind has a sense of \_\_\_\_\_ and we are all created to \_\_\_\_\_.

Despite the *sensus divinitatis*, the unregenerate will still rebel against God and refuse the call to \_\_\_\_\_ and \_\_\_\_\_.

This is because their guilt and love of \_\_\_\_\_, knowing they'll be \_\_\_\_\_ by God, and compared to God's \_\_\_\_\_ on the scales of justice.

Man is \_\_\_\_\_ for their sin, and turning from it, but will not because man hates the \_\_\_\_\_ and loves \_\_\_\_\_.

Mankind doesn't need to be given evidence, and held responsible, because all have been given a \_\_\_\_\_ of God by \_\_\_\_\_.

Man cannot say God has hidden himself because man knows God through the \_\_\_\_\_ around him and the \_\_\_\_\_ within him.

Through this knowledge, man also knows God's \_\_\_\_\_, God's \_\_\_\_\_, and God's \_\_\_\_\_.

However, God did not leave man in this culpable state.

God gave some men \_\_\_\_\_, and through this some men are \_\_\_\_\_ by the Holy Spirit, and therefore \_\_\_\_\_.

Therefore, it is the responsibility of the \_\_\_\_\_ to share this special revelation, which is the \_\_\_\_\_, to \_\_\_\_\_.
