2 Peter 2:20-22

PASTOR'S PRAYER

Righteous LORD you alone are able to rescue, deliver, preserve and save. Thank you Father for bringing us through this week & allowing us to gather this morning with your people, this congregation. We confess how we often assess our safety and security by our own standards and resources instead of looking to you that we might be kept & sustained. Cause your Spirit this morning to turn us to rest in Christ that we might find our sure and certain safety in Him. Cause your Word to reveal sin & press us toward repentance that we might cling to Christ, His person & work alone, for our every portion & supply. We ask this in the name of Jesus Christ our Savior and Sustainer. Amen & Amen.
