VI. Conclusion

- What steps can we take individually and as a church to be more obedient to God's call to share the Gospel with all people, regardless of background?
- How can we develop a mindset that sees people through God's eyes, valuing each person as someone for whom Christ died, regardless of their background or past?
- Reflect on a time when you witnessed someone's life transformed by the Gospel despite initial doubts about their openness. How does Acts 10 encourage us to trust in God's work in people's hearts?
