Reflection and Application Questions (for personal reflection and family conversation):

- 1. What do we know about Cornelius and his family?
- 2. Why would Peter not have been willing to go to Cornelius' home before he received the vision? What is the message of the vision to Peter?
- 3. What are the clean and unclean food laws (Leviticus 11)? What was their purpose in the Mosaic law? How are they fulfilled in Christ? (WCF 19.3)
- 4. Is there anything about another person that would prevent you from sharing the gospel with them? Is there anything they would need to do to prepare themselves before they could hear the good news of Jesus Christ?
