History of Pentecostalism/Charismatic Movement

- First wave

2

Agnes Ozman's "Chinese" Writing

3

Aimee Semple McPherson

4

History of Pentecostalism/Charismatic Movement

- Second Wave
- Third Wave

Unifying Elements

- Emphasis on personal and emotionally experiencing God
- Understanding tongues as glossolalia instead of xenolalia
- Continuation of the all of the NT gifts
- “Core” Christian beliefs including justification by faith alone
- 66 book canon, hold to inerrancy and authority of the Bible
- Believer’s baptism

5

Unifying Elements

- Strongly opposed to homosexuality, gay marriage and abortion
- Non-corporeal view of Lord’s Supper
- Reject baptismal regeneration
- Most would theologically connect the gift of healing with the atonement/resurrection

6
