## Luke 11:33-36 (KJV)

<sup>33</sup> No man, when he hath lighted a candle, putteth *it* in a secret place, neither under a bushel, but on a candlestick, that they which come in may see the light.

<sup>34</sup> The light of the body is the eye: therefore when thine eye is single, thy whole body also is full of light; but when *thine eye* is evil, thy body also *is* full of darkness.

<sup>35</sup> Take heed therefore that the light which is in thee be not darkness.

<sup>36</sup> If thy whole body therefore *be* full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light.

# The Visibility of the Sign of Resurrection

Luke 11:33-36

## Four Key Points of the Visibility of the Resurrection

1. **A Fact:** The Resurrection as an Open Sign.
2. **A Choice:** Healthy Eye vs. Diseased Eye.
3. **A Warning:** The Danger of Darkness.
4. **A Promise:** The Fulfillment of Light.

**“He (Jesus) knew that the old  
Eye-for-eye philosophy would  
Leave everyone blind.**

**He did not seek to overcome  
evil with evil.**

**He overcome evil with good.  
Although crucified by hate,  
he responded with  
aggressive Love.**
