

<sup>3</sup> They sharpen their tongues like a serpent; the poison of asps *is* under their lips. Psalm 140:3 (NKJV)

They sharpen their tongues  
like a serpent,

The poison of asps is under their lips.  
Psalm 140:3

*Serpents are usually quiet, yet when they talk, we know two things: 1. They are indwelt by Satan. 2. They lie. Today the serpent is a Dragon (in control of government) he proposes laws and amendments. Florida Amendment 4 is a lie, and beyond a law, it is a Constitutional Amendment, and it is full of deadly POISON!*

<sup>11</sup> And have no fellowship with the unfruitful works of darkness, but rather expose *them*. Ephesians 5:11 (NKJV)

#### AMENDMENT 4

**Title: Amendment to Limit Government Interference with Abortion**

**Summary: No law shall prohibit, penalize, delay or restrict abortion before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider. This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.**

*I. What is wrong with this? What should we know?*

*1. This is not just a law, it is an amendment to Florida's Constitution, if passed, this will be next to impossible to change back.*

*2. This amendment exempts abortion from ALL government regulation(s). When it says, "No law shall prohibit, penalize, delay or restrict abortion"*

*A. It eliminates the requirements of performing an ultrasound.*

*B. It eliminates the 24-hour waiting period.*

C. *It eliminates all rules, laws, safety regulations on abortion that would protect the woman getting the abortion. For instance, this would eliminate any requirement for keeping surgical equipment or anything else in an abortion clinic clean.*

*Yet, not only that, removing all laws and penalties "No law shall ... penalize" means there would be NO SUCH THING as malpractice for an abortion doctor or so-called "healthcare provider."*

*If abortion is so unregulated and unrestricted, this might seem an exaggeration, but NOT inaccurate; an abortionist could perform an abortion on a girl without her consent, and he would be protected by this amendment to Florida's constitution.*

**The words "before viability or when necessary to protect the patient's health, as determined by the patient's healthcare provider."**

*If the so called "healthcare" provider had a young girl brought to her by her rapist, or trafficker, this Amendment makes ZERO reference to a patient's or woman's choice. Pro-choice? 2/3rds of women who have had abortions claim they were forced or coerced to get an abortion. Note the amendment says, "to protect the patient's health, as determined by the patient's healthcare provider."*

3. *Viability means ability to live. This has already been used as an excuse to let babies die, after they survived a late term abortion. Can a newborn baby live on its own? Or even a toddler?*
4. *Patient's health – could be mental health, emotional health.*
5. *The patient's "healthcare provider" decides, this person need not be a doctor.*
6. *An amendment like this has already been passed in Michigan and the people are fighting the fact that now the law requires that every abortion be covered by tax dollars.*

*Lastly, the amendment deceptively states –*

**This amendment does not change the Legislature's constitutional authority to require notification to a parent or guardian before a minor has an abortion.**

*Right now, Florida requires PARENTAL CONSENT for a minor to get an abortion. This amendment eliminates that requirement. A parent would be notified, but "consent" is not required. The amendment is worded like it is to create the false notion of a parent being able to decide about or stop an abortion, with this Amendment, they could NOT!*

**II. What are the lies and falsehoods that have brought us to this dreadful place?**

1. *Denial of the sanctity of human life: the sanctity of human life has been and is being replaced by a quality-of-life ethic.*
- A. *According to Scripture human life is valuable, we are distinguished from animals by the fact we are created in God's image – **Genesis 1:26-28***

*In Genesis 9 we are told that animals may be killed and eaten as food, but killing a human being should be punishable by man, by death –*

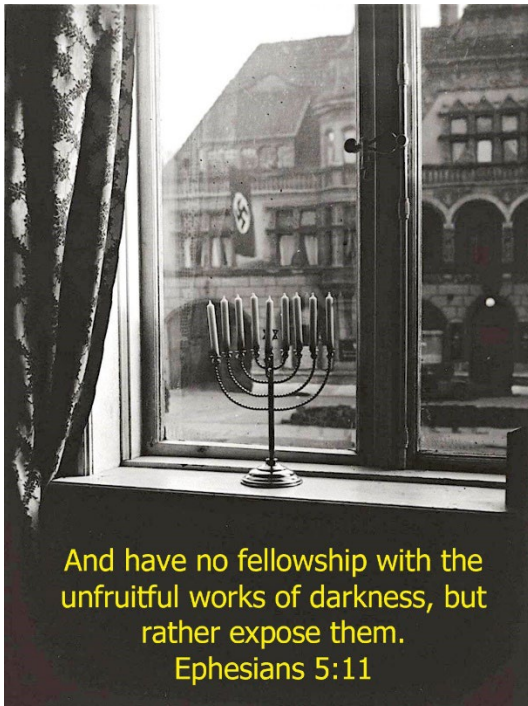

**9** So God blessed Noah and his sons, and said to them: "Be fruitful and multiply, and fill the earth. <sup>2</sup> And the fear of you and the dread of you shall be on every beast of the earth, on every bird of the air, on all that move on the earth, and on all the fish of the sea. They are given into your hand. <sup>3</sup> Every moving thing that lives shall be food for you. I have given you all things, even as the green herbs. <sup>4</sup> But you shall not eat flesh with its life, *that is*, its blood. <sup>5</sup> Surely for your lifeblood I will demand a *reckoning*; from the hand of every beast I will require it, and from the hand of man. From the hand of every man's brother I will require the life of man. <sup>6</sup> "Whoever sheds man's blood, By man his blood shall be shed; For in the image of God He made man. Genesis 9:1-6 (NKJV)

B. *Atheism is the belief that there is not God. Since the Bible, prayer and religion in general have been removed from our education and government, atheistic morality, or immorality, has become more and more the rule.*

C. *If there is no- God, there is no creature made in God's image, there is nothing sacred about "human life." The more Biblical Christianity is pushed out, the more FOOLs rule –*

<sup>1</sup> **The fool has said in his heart, "There is no God." They are corrupt, They have done abominable works, There is none who does good. Psalm 14:1**

D. *With no God there are no rules, there is no purpose to life, except that which sinful man invents –*  
<sup>12</sup> **There is a way that seems right to a man, but its end is the way of death. Proverbs 14:12 (NKJV)**

*History is full of murderous, godless governments, most recently: People's Republic of China. 1949-87. 87.6 million people murdered.*

Union of Soviet Socialist Republics. 1917-87. 61.9 million people murdered. Josef Stalin's rule (1929-53) accounts for 43 million.

Germany. 1933-45. 20.9 million people murdered. National Socialist German Workers Party (Nazi). Includes Hitler regime's murders throughout occupied Europe. Does not include WWII battle deaths.

*Yet, if abortion is properly called murder, in the USA there have been over 60 million abortions in our country since 1973, and that is because we have become a practically atheist state, we are okay with God, as long as He is not taught in our schools, or rules in our government.*

2. *God has judged us, and given us up to a debased mind –*

<sup>28</sup> **And even as they did not like to retain God in their knowledge, God gave them over to a debased mind, to do those things which are not fitting; Romans 1:28 (NKJV)**

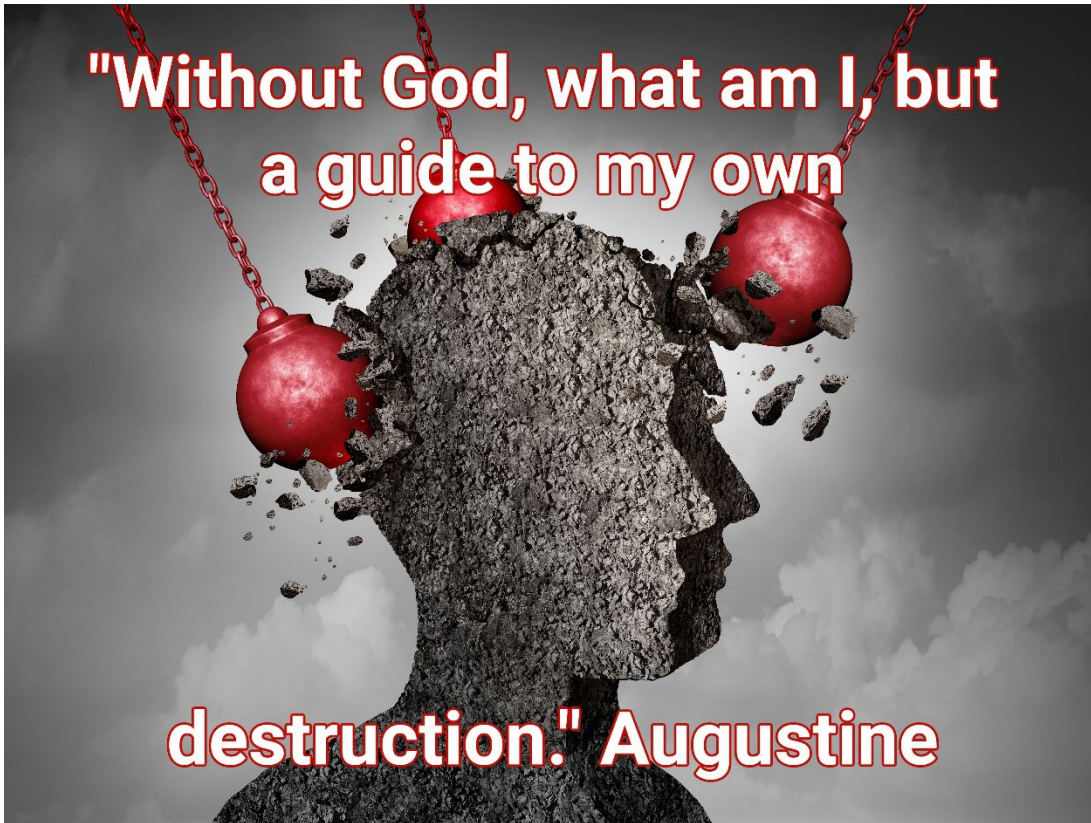

3. *With a debased mind comes a debased vocabulary, a debased way of thinking and speaking –*

A. Murder is healthcare, B. A baby in the womb is a blob of tissue C. Killing is a woman's right

4. The debased mind makes us beasts, or worse than beasts-

<sup>13</sup> "The wings of the ostrich wave proudly, But are her wings and pinions like the kindly stork's? <sup>14</sup> For she leaves her eggs on the ground, And warms them in the dust; <sup>15</sup> She forgets that a foot may crush them, Or that a wild beast may break them. <sup>16</sup> She treats her young harshly, as though they were not hers; Her labor is in vain, without concern, <sup>17</sup> Because God deprived her of wisdom, And did not endow her with understanding.  
Job 39:13-17 (NKJV)
