## **(Asking Questions or Questioning God)**

### **Habakkuk 1:1-11**

#### **By Scot Wall**

**It's OK to ask God questions...**

- 1. Just be ready to accept the answer**
- 2. Recognize His way is ALWAYS unfolding**
- 3. Remember that His Way usually starts with His own**
- 4. Realize that His Way incorporates everyone and all of history**

**God is not "sitting on His shovel."**

**He IS working to bring about His glorious and wonderful plan that started in the Garden, climaxed at the cross and will culminate in His Eternal Kingdom.**
